Notice of Application for the discharge of the Administration Orders

I write to inform you that, following the completion of the Company Voluntary Arrangement of the Companies, the Joint Administrators have made applications to Court for orders that (1) the Joint Administrators shall proceed to seek the involuntary strike-off of the each of the Companies; (2) the Administration Order for each of the Companies be discharged pursuant to section 18 of the Insolvency Act 1986 on the date falling one month from the date of the order; and (3) the Joint Administrators be released and discharged from all liability in respect of their acts and omissions as joint administrators of each of the Companies, such release to take effect in accordance with the timeframes set out in the applications. The hearing to consider the applications has been scheduled for 16th June 2022.

Should the orders be granted, the Joint Administrators will send their final report to the creditors and will provide the relevant information to the Registrar of Companies. The Registrar has previously confirmed that, on receipt of the requisite information, it will initiate the involuntary strike off of the Companies and that the Companies will then be dissolved within six to eight months.

Should you wish to discuss any matters arising from this letter, please do not hesitate to contact me on the direct line shown above.

Yours faithfully
for the Companies
