# 1. Introduction

## 1.1 Basis of preparation

This report has been prepared by the Administrators of the Companies to comply with their statutory duty to report to creditors under Rule 2.30 of the rules, as amended by the High Court Order of 24 May 2005. This report provides details of progress in the administrations during the six month period to 28 July 2009.

This report also provides an update for CVA Companies' creditors on the progress and developments since 28 January 2009 and should be read in conjunction with our previous update reports.

We draw your attention to the contents of the 'Important Notice' on page 1 of the Explanatory Statement dated 10 January 2005. There are numerous caveats and disclaimers in that document in particular in the area of estimated outcomes. The comments therein should be regarded as extending to this document also.

Other than for any statutory duty owed by the Administrators to provide a progress report to creditors, none of the Administrators, Ernst & Young, KPMG, their partners, members, employees, professional advisers or agents accept any liability or assume any duty of care to any third party (whether it is an assignee or successor of another third party or otherwise) in respect of this report, and any such party who receives a copy of this report, whether from Ernst & Young, KPMG or any other source, shall have no right of recourse against Ernst & Young, KPMG, its partners, members, employees, professional advisers or agents.

## 1.2 Background/summary update

The High Court appointed the Administrators to Group, TXU UK and EET on 19 November 2002, with the exception of Christopher John Hughes of KTH who was appointed Conflicts Administrator of TXU UK on 11 March 2004. The High Court subsequently appointed Administrators to TXU Power and UKH on 17 February and 27 August 2003 respectively. The EEH and EH6 appointments were made on 18 September 2003.

Following the successful progress of the CVAs and the payment in full of all TXU UK creditors, it was decided that the Conflicts Administrator's role had come to an end and pursuant to a High Court application by the TXU UK Administrators, the Court ordered that Christopher John Hughes be removed from Office as Conflicts Administrator.

On 28 January 2005 the creditors of the CVA Companies approved the voluntary arrangements for the 28 companies outlined in Appendix C. As previously reported the CVAs represent a 'package deal' for the resolution of all disputed claims between CVA Companies and between Holding Companies and the resolution of claims of creditors against CVA Companies. This process was implemented to enable the cash already realised, and the cash from any future realisations, to be distributed to the creditors of the CVA Companies as quickly as possible, without the risk of protracted litigation to resolve the various disputed matters. Detailed information on this and other relevant matters is included in the Explanatory Statement which was forwarded to creditors on or around 10 January 2005.

Copies of the CVA Proposal Documents and other important updates are available at [www.txuinfo.co.uk](http://www.txuinfo.co.uk). Further reference to the progress and major developments in the CVAs are summarised in section 3 of this report.

We advise that the Administrators are now holding funds in excess of £50m and, in accordance with clause 21.8 of the CVA Proposal Documents, a seventh distribution will be paid in September 2009. The Supervisors are hoping to be in a position to pay an eighth and final distribution and conclude the administrations and CVA's of the Companies in accordance with clause 36 and Part F paragraph 5 of the CVA document and Explanatory Statement ('Termination of the CVA's'), respectively. As none of the Companies have been placed into liquidation (and are unlikely currently to be placed into liquidation), the intended closure process for the Companies will be by an application to the High Court to discharge the Administration Orders, following which the respective companies are likely to be dissolved. In accordance with Clause 36.2 of the CVA document, it should be noted that the obligations of the respective CVA company shall terminate on the date on which each of the Office Holders gives notice to the CVA creditors that all Disputed Claims (as defined in the CVA Proposal Documents), have been finally adjudicated and the distributions to creditors of all assets available for distribution to them, in accordance with the CVA's (save for Clause 36.4 of the CVA document which deals with sums considered uneconomical to distribute), have been completed.

The historic and future distribution timetable is detailed below:

- |                                    |                 |
|------------------------------------|-----------------|
| ▶ Actual first distribution        | 30 March 2005   |
| ▶ Actual second distribution       | 2 August 2005   |
| ▶ Actual third distribution        | 19 January 2006 |
| ▶ Actual fourth distribution       | 20 July 2006    |
| ▶ Actual fifth distribution        | 30 March 2007   |
| ▶ Actual sixth distribution        | 2 April 2008    |
| ▶ Anticipated seventh distribution | September 2009  |
| ▶ Anticipated final distribution   | December 2009   |

Appendix B of this report includes a schedule of the cumulative sixth distribution dividend percentages.

CVA distributions totalling approximately £2.2bn have been made to date.

## 2. Administration progress

### 2.1 Update on matters since previous reports

The Office Holders of each CVA Company have continued to perform the functions required by them in accordance with their duties and powers. These are principally implementing the terms of the CVAs, realising the remaining assets referred to in the Chairman's report dated 28 January 2005 and resolving issues with outstanding creditors' claims.

Attached at Appendix A are receipts and payments accounts for the seven administration companies for the six months to 27 July 2009 and the seven CVA Companies for the six months to 27 July 2009.

Specific commentary on the progress of certain matters is included below.

### 2.2 Overseas assets

#### 2.2.1 EET BV

Most of EET BV's assets have now been realised and realisations to date from this asset total €68.3m (£46.9m) across all of Group, EET and TXU UK claims.

A final distribution from EET BV of c£1m is expected, but the timing and amount will depend on future realisations and resolution of contingent claims against that company. The Administrators plan to arrange a meeting with the EET BV Trustees to explore options to expedite this process in the near future.

#### 2.2.2 BVAG

Following the completion of the sale by TXU Stadtwerke of its 74.9% stake in BVAG, the administrators of EET have concentrated on restructuring the lower-half of the holding chain to expedite repatriation of the proceeds to EET.

We continue to progress the resolution of certain actual and contingent liabilities in the holding chain, facilitating the release of a further €29m (£19.3m), which was included in the fifth distribution to creditors. The remaining funds of approximately £10m are required to be held at various levels of the holding chain to meet the remaining potential liabilities until such time as the liquidations can be concluded.

The remainder of the work that needs to be undertaken is the agreement and settlement of tax and other liabilities of the companies in the BVAG holding chain of companies. This involves a coordinated review and discussions with the tax authorities in the Netherlands, Germany, Ireland and the United Kingdom.

The remainder of the BVAG sale proceeds (after settlement of the tax and other liabilities) will be available at the final distribution to creditors which will be up to £10m.

## 2.3 Other assets

Since the sixth distribution we have been able to realise (or release provisions against) assets totalling £62.4m. A breakdown of these amounts is shown below.

### Summary of assets realised

	Cash release for benefit of all creditors (£m)
Realised assets	28.8
Release of creditor claim provisions	4.2
Release of fixed reserves	29.4
	<b>62.4</b>

The outstanding assets to be realised, total approximately £37.8m on a realistic basis.

### 2.3.1 Enron Corp and ECTRL claims

Following the Administration of ECTRL in December 2001, EET lodged a claim against ECTRL in the sum of £130m. At the same time, EET BV lodged a claim against ECTRL for £21.6m.

Certain obligations of ECTRL had been guaranteed by Enron Corp. EET and EET BV also lodged a joint guarantee claim against Enron Corp for US\$216.1m (at the exchange rate in force at that time).

Elements of the claims (and the effectiveness of the guarantee) were disputed by ECTRL and Enron Corp. These claims have now been agreed between the various Administrators and Trustees, as follows:

#### Agreed claims

	EET (£m)	EET BV (£m)	Total (£m)
ECTRL – principal	108.4	21.6	130.0
Enron Corp – joint guarantee (US\$115m)	49.4	6.9	56.3

In addition, EET and EET BV lodged interest claims against ECTRL of £34.7m and £6.9m, respectively. These claims have now been agreed by the ECTRL Supervisors and we are in the process of completing the sale to the buyer of the principal claims.

## **2.4 Tax**

In preparation of closure of the CVA's and Administrations, the Administrators must have settled all external Administration costs, one of which is corporation tax. The Administrators have written to the Inspector of Taxes to request that no further corporation tax returns need to be completed up to 31 December 2009 and that the CVA's and Administrations can be concluded without filing these returns. A response is expected mid to late August 2009.

## **2.5 Joint Administrators' time costs**

As at the date of this report, Ernst & Young Administrators' fees of approximately £41.2m plus VAT and disbursements across the seven administrations have been billed. Fees have been billed in accordance with the rates and approval mechanism agreed by the Creditors' Committees and subsequently amended by the CVA document.

The KPMG Administrators' of Group have incurred fees of approximately £14m plus VAT and disbursements, as at 31 December 2008, which, as with the Ernst & Young Administrators' fees, have been billed in accordance with the rates and approval mechanism agreed by the Creditors' Committees and subsequently amended by the CVA document.

## **2.6 Creditors' committees**

The Administrators continue to report to the Creditors' Committees on all matters of importance in relation to the Administrations of the Companies.

## **3. CVA developments**

### **3.1 CVA progress**

As previously reported, the sixth distribution to CVA Companies' creditors took place on 2 April 2008, when £66.6m of cash was distributed to creditors and a further £1.6m was to be paid into the claims reserve in relation to disputed claims.

In April 2008, a distribution of £58.9m was declared by the CVA Supervisor of Group to TEG being Group's sole shareholder. The distribution to the shareholder being possible as a result of Group's creditors having now received distributions totalling 100p in the £. These monies are currently being held in a reserve account pending a proposed High Court application to clarify the position as to whether the payment can be made pursuant to the terms of the CVA or whether consideration needs to be made to Group's distributable reserves in accordance with the meaning of the Companies Act 2006.

Detailed at Appendix B is a table showing the dividend outcome following the sixth distribution.

As mentioned earlier in my report, the Administrators are now in a position to pay a seventh distribution. I advise that £62.4m of assets are available for distribution due to the realisation of assets and the release of reserves.

### **3.2 Summary of assets, reserves and liabilities**

#### **3.2.1 Assets and asset reserves**

Work has continued since our previous report dated 10 February 2009 in respect of the disputed creditor claims and unrealised assets with a view to resolving/realising as many as possible prior to the payment of the seventh distribution.

With regard to the CVA closure comments in section 1.2 of this report, creditors should be aware that pursuant to clause 36.5 of the CVA document, if any amount relating to a Disputed Claim is held in a Reserve Fund at the date of termination, then the CVA Supervisor shall retain the residual power to agree or reject such a claim in accordance with the Dispute Resolution Procedure, and if the CVA Claim becomes an Allowed Claim, the relevant CVA creditor shall (subject to any order of the Court), be entitled to payment from the Reserve Fund and the relevant Office Holder shall have the powers to pay such amount to the CVA Supervisor to enable him to make the distribution notwithstanding the termination of the CVA.

#### **3.2.2 Liabilities**

Total claims against the BTL CVA have decreased by £3.6m, in relation to disputed claims, since the date of the last report. Total claims currently stand at £2,107m (our last report stated that £2,154m claims were outstanding, however, this was incorrect and should have read £2,110m), with agreed claims of £2,077m and disputed claims and general provisions against unsecured claims of £30.1m. The end position estimates stand at £2,107m on both a realistic and pessimistic basis, which compares to £2,197m and £2,461m respectively, as per the CVA Proposal Documents.

Below is a table summarising the current position of external unsecured creditors in relation to allowed and disputed claims and a current estimate of the final end position on a realistic and pessimistic basis.

	Actual allowed claims (£m)	Current disputed claims (£m)	Distribution total claims (£m)	Current end realistic (£m)	Position estimates pessimistic (£m)
Group	465.0	10.1	475.1	475.1	475.1
EET	1,144.6	10.0	1,154.6	1,154.6	1,154.6
TXU UK	50.8	10.0	60.8	60.8	60.8
TXU Power	94.0	-	94.0	94.0	94.0
Other Ernst & Young Companies	125.1	-	125.1	125.1	125.1
Other KPMG Companies	197.1	-	197.1	197.1	197.1
	<b>2,076.6</b>	<b>30.1</b>	<b>2,106.7</b>	<b>2,106.7</b>	<b>2,107.6</b>

As mentioned in section 1.2 above, we anticipate that a seventh distribution will take place in September 2009

### 3.2.3 Supervisors' fees

In accordance with the CVA Terms, the Supervisors' fees in relation to Group, EET and TXU UK are approved by their respective Creditors' Committees. The Supervisors' fees in relation to the remainder of the Ernst & Young CVA Companies are approved by the EET Creditors' Committee. Across the seven administration CVA Companies, the fees billed to date are approximately £3.47m plus VAT and disbursements.

1. The above dividend percentages exclude payments to Top-Up Creditors in accordance with Annex 5.
2. A dash is shown where CVA companies have no known External Creditors and so a Distribution percentage has not been calculated or where in previous rounds, a company's cumulative Distribution percentage reached 100% and therefore no further payments to creditors are due.
3. Any casting differences are due to rounding only.
